

There are a number of great new renovations on Springfield's campus. Please stop by and see:

1. Complete renovation and upgrade of Weiser Hall.
2. A completely renovated School hall into a state-of-the-art science center.
3. This spring, construction of a new field house and wellness center will begin, the field house will be an 85,000-square foot facility with four multi-purpose courts, an indoor track, new locker rooms, a new strength and conditioning center and a new video conference room.
4. A new campus union is also in the works which will house all of the student and volunteer programs.
5. And many more positive changes are on the horizon, for Springfield College...

Thank you for your generous support of the "Old Shoe Club". Your gifts to the football program are greatly appreciated!

Coach DeLong

DIRECTIONS: Westover Golf Course:
