

SPRINGFIELD COLLEGE HEALTH CENTER GENERAL INFORMATION & REQUIREMENTS CHECKLIST

Attention Students Participating in SOAR: First-year and transfer students participating in SOAR will be able to complete their initial class registration, even if health forms have not yet been submitted. Once classes begin, students will not be able to register for courses until all health forms have been completed and submitted to the Health Center.

General Health Center Information

- **All full-time undergraduate and graduate students** are eligible to receive health care services at the Student Health Center. You do not need to purchase the school health insurance in order to receive services at the Health Center
- Specialty clinics are available on-site including Medical Clinic, Gynecology Clinic, and Orthopedic Clinic
- There are no office fees for patient visits at the Health Center, but there may be charges for laboratory tests, medications, vaccinations, x-rays, and referrals to off-campus medical facilities
- Charges incurred for health services are the student's responsibility. The Health Center does NOT bill insurance directly
- Carry your insurance card (or a copy of it) with you at all times

Incoming Student Checklist (Required for ALL Students)
